AUTHOR'S DECLARATION REGARDING THE USE OF GENERATIVE ARTIFICIAL INTELLIGENCE TOOLS

I hereby declare, that in the process of preparing the academic article entitled

.....
I have made use of the following generative artificial intelligence tools

.....
(name of the generative artificial intelligence tools used)

in order to

.....
.....
.....

I also declare that I have thoroughly and critically analyzed the text in terms of possible false, incomplete or biased information generated by artificial intelligence, as well as any instances of plagiarism or incorrect or missing bibliographic references, and that I have revised them accordingly. I fully accept the submitted manuscript, I assure that no ethical standards have been violated, and take full responsibility for the content of the article.
